

This Is Love [Lyrics]

[CMC Worship] by Dylan Chan & Jillian Ee

Verse 1

This is Love, that you sent your son to be with us
This is Love, that a perfect man would die for us
This is Love, that the Holy Spirit lives in us
This is Love, this is Love

Verse 2

So I will give
And lay down my life for those You love
And continue the good work that You've done
So that all the world will know that
This is Love, this is Love

Chorus 1

You just love us over and over
You keep no record of wrongs
So we'll love you over and over
Your love's complete in us

Chorus 2

This is why we love
Because You first loved us
Now we can all testify
You just love us over and over
This is Love, this is Love

Bridge

Your love is patient
Your love is kind
I need not hide
I need not strive

Bridge 2

You are patient
You are kind
I need not hide
I need not strive
