

The background of the entire page is a stylized illustration. At the top, there are blue mountains against a blue sky. Below the mountains, the sky is filled with various shades of blue and white, representing clouds and dandelion seeds blowing in the wind. In the foreground, there is a green grassy field. Several dandelions are shown in different stages of being blown away. Some are fully formed with white seeds, while others are just seeds floating in the air. The dandelions have black centers and white seeds. The grass is a mix of green and yellow, suggesting a sunny day. The overall style is clean and modern, with a focus on natural elements.
